ABSTRACT

Receiving and Processing Information Directly (RAPID) is a directory designed to facilitate the identification of interstate migrant families. The directory contains instructions for using the RAPID notification form, a means of rapidly communicating intended destinations of migrant families. Use of the form is designed to help identify interstate children as they move between states and to avoid missing enrollments. The form is to be attached to the family's certificate of eligibility, if available. The remainder of the directory lists the names, addresses, phone and fax numbers of the appropriate state contact assigned to accept the forms. Information from Georgia includes a town and county map and index to aid in determining the appropriate migrant education agency to contact. Louisiana provides an additional form to be completed. Michigan furnishes listings for their summer 1992 and fall 1991-92 migrant education programs. Oregon includes a chart of migrant education program coordinators for 1992-93. Likewise, Pennsylvania and Washington provide contacts for the various regions by the counties or towns they serve. Iowa was unable to participate in the directory due to fiscal constraints. (KS)

INSTRUCTIONS FOR USING THE *"RAPID"* NOTIFICATION FORM

The ***"RAPID"*** Advance Notification form is a means of rapidly communicating intended destinations of migrant families. Use of this form is designed to help identify interstate children as they move between states and to avoid missing enrollments.

It is hoped that all states will utilize this form. To facilitate use, the following explanation is provided. Once a recruiter has collected departure information, it is then forwarded to the appropriate state contact.

For Whom Should Forms Be Sent?

Notification forms should be sent for each family with children, ages 0-22, who is enrolled in your state's migrant education program, and is moving to another state.

Who Should Send the Destination Forms?

Each state has designated one or more individuals, to send the information. Please refer to the ***"RAPID"*** directory for specifics.

Who Should Receive the Forms?

Specific individuals are listed in the ***"RAPID"*** directory and are listed by state.

How Should The Forms Be Filled Out?

Please see the attached fax transmission form for specifics. Any additional information you can provide will assist the receiving state in locating the family. REMEMBER: If you have trouble locating the appropriate location to send the fax, or are unable to contact the individual, please feel free to call **ESCORT - The Eastern Stream Center on Resources and Training - at 1-800-451-8058**. We will be happy to assist you!

How Will The Effectiveness of This System Be Gauged?

We will be contacting individuals in the directory to determine if the system is being used and if so, to log the results. If you have any comments, please feel free to call the Center at any time. We will gladly make adjustments, based on your suggestions.
